### ORDER:

In the letter read above, the Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad has reported that as per the Action Plan to provide breeding services to 100% available cattle and buffaloes in Rangareddy District, 36 more Mobile Artificial Insemination Centers are needed. Establishment of Gopalamitra Centers sanctioned by Government of India does not work since the candidates are not willing to take up this self-employment scheme as most of the area of Rangareddy District comes under semi-urban or urban area of Hyderabad District. The income generated by Gopalamitra is not attractive in this District and as a result neither the candidates coming forward nor the selected candidates are continuing. Hence, it is proposed to establish Mobile Artificial Insemination Centers through Public Private Partnership for which funds are required.

2. He has further informed that Government of India has sanctioned 36 Mobile Artificial Insemination Centers under S.G.S.Y. programme during 2007 to be set up under Private Partnership. The District Rural Development Agency, Rangareddy District has agreed to release Rs.171.72 lakhs to A.P. Livestock Development Agency for establishment of 36 Integrated Livestock Development Centers by BAI Institute of Rural Development (Andhra Pradesh) (BIRD-AP) @ Rs.4.77 lakhs per Center.. The District Rural Development Agency, Rangareddy District will release Rs.28.26 lakhs as initial payment and the balance amount will be released as and when Grants-in-Aid of the Special Project are received from Government of India. In case of non-receipt of Grants-in-Aid from Government of India, the District Rural Development Agency, Rangareddy District will not be able to release the remaining funds. In that case, the A.P. Livestock Development Agency has to implement the Artificial Insemination Centers with the funds of APLDA only. While enclosing a draft Memorandum of Understanding, the Chief Executive Officer, A.P. Livestock Development Agency has requested the Government for permission for establishment of 36 Mobile Artificial Insemination Centers through BIRD-AP with the financial assistance of District Rural Development Agency, Rangareddy District under S.G.S.Y. Special Project.

3. After careful examination of the matter, Government hereby accord permission to the Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad for establishment of 36 new Mobile Artificial Insemination Centers in Rangareddy District through BAI Institute of Rural Development (Andhra Pradesh) (BIRD-AP) with the financial assistance of District Rural Development Agency, Rangareddy District under S.G.S.Y Special Project @ Rs.4.77 lakhs per Center.

4. The Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad is informed that in the event of non-receipt of funds from Government of India under S.G.S.Y. programme, the expenditure in connection with establishment of the above 36 new A.I. Centers will have to be met from the funds of A.P. Livestock Development Agency only and in no circumstances funds will be sanctioned by Government of Andhra Pradesh.

P.T.O.

5. A copy of the approved draft Memorandum of Understanding to be entered into between the District Rural Development Agency, Rangareddy, A.P. Livestock Development Agency, Hyderabad and BAIF Institute of Rural Development (Andhra Pradesh (BIRD-AP) is enclosed herewith for taking further necessary action.

6. The Chief Executive Officer, A.P. Livestock Development Agency, Hyderabad shall take necessary action and report compliance to Government.

**(BY ORDEER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)**

**N.P. RAMAKRISHNA REDDY,
